MACU

Members' Advantage Credit Union was formed on July 1st, 1997 by the consolidation of Biron and Ahdawagam Credit Unions. These two credit unions each had a long and successful history dating back as far as 1933. Their tradition of delivering excellent products and superior member service continues. Our name proudly states what both credit unions have stood for throughout their histories - that membership has advantages!

Join Our Financial Family!

Members' Advantage Credit Union is a unique financial institution. We are not-for-profit, member-owned, and democratically operated.

Unlike profit-driven financial institutions, we return excess earnings to our members-in the form of low interest rates for loans, high yield savings and investment accounts, plus the low or no fee services our members need to make their lives easier.

Who Can Join MACU?

Membership in Members' Advantage Credit Union is open to all the following:
